SC360: Figure Sculpture (Spring)
Brian Craig

Estimated cost of materials: $125.00

This armature design will vary with each student’s sculptural project. All students will basically use the following supplies.

- Flange ½”
- Pipe ½” X 6” or 8”
- Four sets of ¼” bolts with nuts and washers
- Tee ½” or radiator hose clamps around ½” pipe
- Foam core board 24” X 36”
