

LYME ACADEMY

O F F I N E A R T S

Introduction to Drawing in Space Workshop with Robert Bodem

May 20-24, 2024

Materials List

Workshop participants receive 10% off supplies and materials in **de Gerenday's Fine Art Materials and Curiosities**, Lyme Academy's school art store.

The workshop clay and the custom armature are available for pre-purchase in the school store and picked up in the studio.

Materials and supplies

From the instructor: Students will work with a specific armature and water-based clay. Students should have a few wood sculpture tools.

Supplies include:

- Water-based clay 20-25 lbs, available for pre-purchase through de Gerenday's
- Armature, available for pre-purchase through de Gerenday's
- 3-inch C-Clamps (2) - to secure armature to sculpture stand
- Clay modeling tools - wood
- Hand towel to wipe clay off of hands and tools. (Cotton, textured is best-bring a few if possible.)
- Water spray bottle
- T-shirt - Jersey cotton to wrap the pieces overnight
- A few drycleaning plastic bags to cover the wet cotton
- A notebook
